五、阅读理解

Passage A

Leo is a twelve-year-old boy. He was born in Guangzhou in March 2012. His father is an engineer, and his mother teaches science in a middle school.

When Leo was seven, his father bought him a small robot as a birthday present. That present changed his life. At the age of ten, he built his first small robot by himself, and it could clean the floor. Last summer, he took part in a city robot competition. Before the competition, he got up early and worked on his robot for three months, because he really wanted to win. At last, his robot won the third prize. Now Leo hopes to become a scientist and build more helpful robots.

根据短文内容，回答下列问题。

19. Where and when was Leo born?

答：

_____

20. At what age did Leo build his first small robot?

答：

_____

21. Why did Leo get up early and work on his robot for three months before the competition?

答：

_____

Passage B

Last Friday, our school held the autumn sports meeting. There are 24 students in our class, and all of us joined in. We took part in 8 games, such as running, the long jump and relay races. Finally, we won 5 games out of 8. The most exciting game was the 4×100-metre relay. Our class ran much faster than any other class and finished first. We all jumped and cheered. Our teacher took photos of us and said she was proud of us.

根据短文内容，选择最佳答案。

22. （ ）How many students are there in the writer's class?

A. 5. B. 8. C. 24. D. 4.

23. （ ）How many games did the writer's class take part in altogether?

A. 5. B. 8. C. 24. D. 13.

24. （ ）Which game was the most exciting for the class?

A. The long jump. B. Running. C. The 4×100-metre relay. D. The high jump.

六、书面表达

25. Write at least 60 words about the topic "A trip to remember".

Suggested questions:

- Where did you go?
- Who did you go with?
- What did you do there?
- Why do you remember this trip?

_____

_____
