## 三、阅读短文，回答问题

Read the passage and answer the question below in a complete sentence.

Emma is a twelve-year-old girl. She was born in Kunming in May 2013. Her family still lives in that city, in a flat near Green Lake. Emma's father is a doctor and her mother is a music teacher.

When Emma was seven, her mother took her to a small music school near their home. At first, Emma could not play the violin well. Her fingers hurt and the music sounded strange. But she practised every evening for twenty minutes, and she never gave up. Two years later, she played "Twinkle, Twinkle, Little Star" at the school concert. Last October, she won the second prize in a city music competition. Now Emma teaches her little brother to play simple songs on the piano. She says music makes her family closer.

4. Where and when was Emma born?

答：_____

## 四、书面表达

5. Write at least 50 words about the topic "An enjoyable family day".

Suggested questions:

- Where did you go with your family?
- What did you do there?
- Why did you feel happy?
